

# GRAND SALON MOTONEIGE QUAD 2020

QUÉBEC  
DU 6 AU 8 NOVEMBRE  
CENTRE DE FOIRES

## IT'S A FIFTH EDITION ALREADY!

First of all, we would like to thank all the exhibitors of the 2019 edition of GSMQ for their patience and understanding following the weather conditions that caused the precipitous closing of the show on Friday. This in no way discouraged our passionate visitors who came back on Saturday and Sunday and gave us an attendance well beyond our expectations!

We are pleased to announce that all manufacturers have confirmed that they will participate to the Grand Salon de la motoneige et du quad de Québec 2020. Furthermore, we are able to confirm the presence of the Fédération québécoise des clubs quads at the Grand Salon de la motoneige et du quad de Québec and at the Expo Motoneige et Quad de Laval since no other show will take place.

Other good news for the industry: the presentation dates of the ATV, Snowmobile and Powersports Shows in Quebec and Ontario will no longer be in conflict. While the Toronto Show will take place on October 23, 24 and 25, the EXPO Motoneige et Quad de Laval will be presented at Place Sports Experts on October 30, 31 and November 1, and the Grand Salon de la motoneige et du quad de Québec will take place on November 6, 7 and 8.

## THE WRISTBAND IS BACK!

Once again this year, the \$15 entrance fee will allow visitors to return for the three days of the event by purchasing a free wristband at the exit. In addition, there are more flexible opening and closing hours: Friday, the show will be open from 12 to 9 p.m.; Saturday, from 9:30 a.m. to 6 p.m.; and Sunday, from 9:30 a.m. to 5 p.m.

## A MUST-SEE EVENT!

In addition to all the manufacturers, the largest snowmobile and ATV dealers in the Quebec City area will be present at the most important event of its kind in Eastern Canada. On the same floor, visitors will be able to admire the latest models of snowmobiles and ATVs. They will also discover the latest technologies and purchase clothing, helmets, parts and accessories at more than competitive prices. Finally, visitors will be able to plan their winter vacation by visiting the Tourism Section to meet with people from all over Quebec. Visitors will be able to end their day by wandering between the snowmobiles and ATVs at the Used Vehicle Centre to perhaps discover a vehicle adapted to their needs.

## AN ATV TEST TRACK FOR 2020?

We are currently working to create an ATV test track at the GSMQ for 2020. Attached to the Centre de foires, this test track will allow visitors to test the latest ATV models available on the market free of charge and in a safe manner. We will keep you informed of the developments of this project in the coming months.
