

QUÉBEC
DU 5 AU 7 NOVEMBRE
CENTRE DE FOIRES, QUÉBEC

ALREADY THE FIFTH EDITION!

Following the postponement in 2020 of the Grand Salon de la motoneige et du quad de Québec due to the COVID-19 and the confinement imposed thereafter, since the situation is greatly improving in Quebec, we are pleased to announce the return of the GSMQ on November 5, 6 and 7, 2021 at the Centre de foires de Québec.

We are once again offering you the opportunity to come and meet thousands of snowmobile and ATV enthusiasts who, after a year without a show, will undoubtedly be there in great numbers this year!

With our partner, the Centre de foires de Québec, and during the entire event, protective measures against COVID-19 will be put in place to ensure the physical protection of exhibitors and the public.

Concerning the Expo motoneige quad de Laval, we are still waiting for the availability of the hall for the end of October. We will keep you informed as soon as there are developments on this subject.

We are pleased to announce that all manufacturers have confirmed their presence at the Grand Salon de la motoneige et du quad de Québec.

THE WRISTBAND IS BACK!

Once again, this year, the \$15 admission fee will allow visitors to return for the three days of the event by purchasing a free wristband at the exit. In addition, opening and closing hours will be more flexible: on Friday, the show will be open from 12:00 p.m. to 9:00 p.m.; on Saturday, from 9:30 a.m. to 6:00 p.m.; and on Sunday, from 9:30 a.m. to 5:00 p.m.

A MUST-SEE EVENT!

In addition to all the manufacturers, the most important snowmobile and ATV dealers in the Quebec City area will be present at the most important event of its kind in Eastern Canada. On the same floor, visitors will be able to admire the latest models of snowmobiles and quads. They will also be able to discover the latest technologies and purchase clothing, helmets, parts and accessories at very competitive prices. Finally, visitors will be able to plan their winter vacations by visiting the Carrefour du tourisme to meet people from all over Quebec. Visitors will be able to end their day by wandering among the snowmobiles and quads of the Used Vehicle Centre to perhaps discover a vehicle adapted to their needs.
